**IN THE NORTH SPANISH PROVINCE OF ASTURIAS**

**WATERCOLOUR WORKSHOPS OUTDOOR.**

**SANTIBAÑEZ DE LA FUENTE, COLLANZO**  
**(Near the town of MIERES)**

## **OBJECT OF THE COURSES**

The object with these courses is to interest persons who would like to pass a week in the country, enjoying the nature and increasing their knowledge of painting. Beginners and advanced alike are welcome, as the teaching is personalized. English is also spoken.

## **HOW ARE THE COURSES PROGRAMMED?**

The day of arrival at all the courses is always a Sunday. We start at 19.30h with a meeting of welcoming the participants and getting to know each other. There will also be an explicatory introduction to the mechanics of the course.

The morning classes start at 10.00h and continue until 14.00h including a rest of 30 minutes. The afternoon classes will run from 16.00h to 18.00h, except when a change is made due to necessities of the day. Like bad weather, etc.

In the mornings we learn how to make sketches, penetrate some theory, studies of the sky, the land, different types of trees, boulders, houses, water, etc. You will be familiarized with the techniques and forms used by famous landscape painters.

The afternoons will be dedicated to the particular, individual work of each participant, thus personalizing advice and tuition. Should the weather prevent us from working outside we'll take the class into the studio.

The Friday, the last day of the course, we'll make an exhibition of the finished works in the afternoon and also celebrate it all with a farewell party.
